# Words from our President

Aloha to One and All,

Another great turnout for our March meeting! We had 82 members and 9 guests attend the meeting this month. Fred & Shelly Poperink and Jon Cox were voted in as new club members. A **BIG CLASSICAL GLASS WELCOME** to you all.

Guests present were Bill & Diane Gander, Dennis Betters, George & Liz Longhurst all from Puyallup; Tim Tilton of Tacoma and Darrell da Vera from Friendly Chevrolet. A Classical Glass welcome to you all as well!

Classical Glass would like to express its thanks and gratitude to Ron and Barbara Waller, R&B Construction; Doug and Carolyn Graf, Classic Reflection Coachworks; David Fechter, Ivar's Seafood Bar; and Rick Anderson, Friendly Chevrolet for sponsoring CGCC for 2005. All were presented with a Certificate of Appreciation at our March meeting. Darrell da Vera accepted on behalf of Rick Anderson.

I would also like to thank our many members for attending the monthly membership meetings. Without you we wouldn't have this great club! 2005 promises to be busy year for all who participate in the many and varied corvette events. So check the calendar and make those plans now.

A big thanks once again to Dave Bailey and to Bill & Nina Chambers for their hard work on the Under Glass web presentation. Beginning with the March issue, club members and other corvette enthusiasts can now view the Under Glass online at [classicalglasscorvetteclub.com](http://classicalglasscorvetteclub.com). We encourage you all to take a look at it. As of May 1<sup>st</sup>, each member can choose the method in which they want to receive their Under Glass, hard copy or web.

The current CGCC meeting door prize is a set of six glasses. Each glass is etched with a generation logo of one of the 6 generations of Corvettes, C1 thru C6. At the February meeting, Betty Felker's chip was drawn and at our March meeting Pam Kehrberg's chip was drawn. Unfortunately, neither was present to claim their prize.

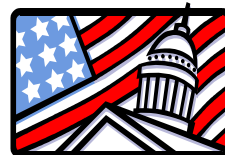

Our club is steadily growing and we encourage everyone to come out to meet and get to know the new members. As a friendly reminder, please wear your name tags at our meetings and all corvette functions. This will not only let others know who we are but, what club we are affiliated with. Al Tone, Club Sales Chair, is researching the possibility of acquiring different name tag attachments using magnetic clips instead of pins. More on this later.

With a unanimous vote on Saturday evening, CGCC has added the Club Roster committee to its executive board. This committee will be chaired by John Underhill. As you may know, John has been unofficially doing this work for a number of years. Now we can give credit where credit is due. Thanks John! We appreciate all of the work you put into keeping us informed.

Every year our season seems to get longer and longer. This year is no exception. I'm sure that this early sunshine is making us all anxious to get the corvette(s) out of moth ball and get ready to zoom-zoom. Don't forget to wave at those other corvettes as you go by!

Hope to see you all at the next function.

***Name Tags***

*Please wear your name tag to meetings and all club events. It is so easy to forget them and sometimes a pain to wear them but it Really makes a difference to our newer members when they are able to call you by name. Even our Seasoned members need a little help now and then. Wear a club shirt and you won't have to worry about putting holes in anything else and look like a club. Al will be more than happy to order you a new shirt or name tag. We are growing and need to make everyone feel like they belong and wearing a name tag so they can learn your name is part to play.*

## IT IS OK TO TALK TO A STRANGER.....

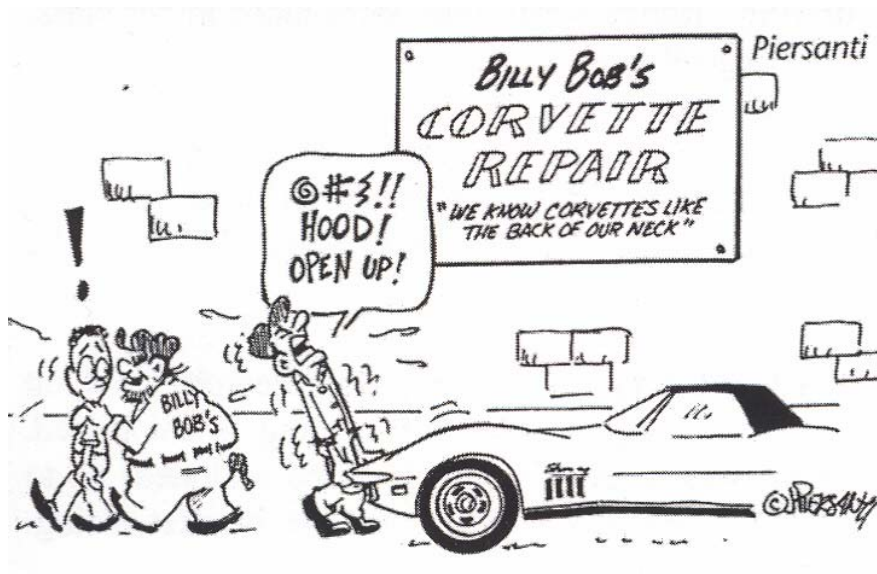

Your Mama taught you not to talk to strangers, but it's OK now. When you see a Guest or new member at meeting, go up and introduce yourself and start a conversation. Ask if they have any questions about the club. Ask about their car. Ask if they have signed up for any events yet. Walk them to the table and tell them about some of your favorite events.

Sit with them during the meeting.

They won't be strangers next month and your Mama will be PROUD of you.

You've just made a New Friend and that makes the club Proud of you too.

# Work in Progress

The Sema show was unbelievable this year. We had 10 people helping in the booth and none of us got a break. The roll-out for the new "CRC" went very well. We have now found a new shop and hired people to build the 50 cars we have on order. Several magazines will come out with pictures and articles after the first of the year.

Since the show the Graf's have received even more orders. Their cars are making quite a splash thru out the region, it has even turned the head of some well known people as you can see by the pictures. Doug & Carolyn Graf are very busy these days answering calls and taking orders, so if you like the looks of the car let them know.

## ***GAS UP CHILI FEED***

A long tradition at Classical Glass is to start our summer Corvette season with a social aptly named the **GAS UP!**

Get to know our new members and plan events that you may want to attend.

This a "gourmet" pot luck with chili, hot dogs and hamburgers as the main course. This is provided, as is the soda, beer and wine coolers. If you have a favorite beverage, bring it. We have ordered sunshine, so we will be able to canoe, paddle boat and bring your fishing poles. Al Tone and Angie Butrick had good luck last year. At the April meeting there will have a sign up sheet for the side dishes. This is so we don't have 25 desserts and no salad etc! CGCC DOES like their sweets! We will decide the best meeting place to caravan from at 12:30. This will be done at the April meeting.

Join us for an afternoon of great fun and GREAT food. Remember this is a family event, so children are welcome.
