Words from our President

Aloha to One and All,

Another great turnout for our June meeting! We had 76 members and 10 guests in attendance this month. A little less than last month's meeting but, none the less, another great turn out. Our guests were Darryl and Kellie De Vera of Puyallup, Dennis and Elaine Walch of Puyallup, Ron Berger of Milton, Anthony and Monique Jordon of Tacoma, Joe and Marianne Johnson of Lakewood, Rick Ford of Tacoma and a returning member Larry Knutson of Des Moines. Having met all membership requirements, Darryl and Kellie were welcomed in as new club members. A **BIG CLASSICAL GLASS WELCOME** to you all.

The club door prize was a certificate for a pullover windbreaker from the club's store. Unfortunately, there was no June winner. That means it may belong to you after the July meeting. Come and find out!

Now that the season has started, it's great to see so many CGCC members taking part in road trips, car shows and other events. From personal experience, I know a GREAT TIME was had by all who traveled to the Montana Big Sky event in Bozeman. We are already looking forward to next year's journey to Helena. I encourage all members to check out the event calendar and come out and join the fun.

Please don't forget the club's picnic on the 3rd of July at the Point Defiance Park's Gig Harbor View Picnic area. It is on Sunday starting around noon to whenever. See you all there! And remember, this picnic is one of the ways that CGCC gives back to its members. You don't have to bring a thing (except maybe your corvette chairs)! Just come and share an afternoon in the park.

That's all for now! See you all at the next meeting.

The Prez

**CLASSICAL GLASS CORVETTE CLUB
GENERAL MEMBERSHIP MEETING
SATURDAY, JUNE 11, 2005**

President Tony Hyatt called the meeting to order at 7:00 p.m. at the Lakewood Elks. Tony asked for a moment of silence for Joe Agnew (the Candy Man) who passed away last week. A moment of silence was observed.

Vice President Marty Morin appointed Michael Thames as sergeant of arms. The May minutes were approved as printed in the June Underglass.

Jeanine Korn read the Treasurer's report.

President Tony announced that it was time to think about nominations for next year's officers. He asked for volunteers for the Nominating Committee. Those who volunteered were Marilyn Underhill, Barb Waller, Lou Caldwell, Julie Booth and Lona Hyatt. Under new business, Rayetta Montgomery read the proposal to change the bylaws concerning the voting in of new members. The proposal was printed in the newsletter and read at the May meeting. The proposal would require new members to still meet the requirements of membership and eliminate the voting by the general membership. The proposal was voted on and passed. President Tony will make the change to the bylaws.

John Johnson updated the membership on the 5-Star event August 6 and 7. **Jan Johnson** reported on the 5-Star raffle and the 5-Star Banquet Raffle. There is a sign-up sheet for those who want to donate raffle baskets for the banquet and for selling raffle tickets at the car-show. Donations for the car show raffle are welcome and can be given to Antje or Jan. The raffle box will be passed around for donations for gift certificates for the 5-Star banquet raffle. **Chuck Hulka** reported that there will be a judges meeting at the CGCC picnic on July 3 and there will also be an informal questions and answer time for new members to ask about preparing your car for the car show. **Linda Morin** reported on the banquet to be held at the Puyallup Elks. There will be an open bar at 6:00 p.m. and dinner will be at 7:00.

Bob DePirro reported on the past events. The car show in Anacortes was attended by 17 cars.

Marilyn Underhill gave a report on the event. **Chuck Hulka** reported on the event in Bozeman. There were 21 cars that attended from CGCC and 5 cars from BC joined the traveling group. CGCC won the participation award. There were Corvettes from 26 states. There were three trophies won by CGCC: Al Tone, Tony and Lona Hyatt and Chuck Hulka. Lona Hyatt won 3rd place in the autocross. There was also a Poker run and rally. The good news was that no one received a ticket!!! Marty Morin wanted to thank those that organized the traveling and food stops – everything went well! Don Korn has made a CD of the event and anyone can purchase it for \$5.

Bob DiPirro continued with the upcoming events. He reminded everyone that the events are on the website and in the newsletter. Jacket Night will be June 12 at the Tacoma Rainiers game at 1:30. Len Tucker is heading up the group to Mt. Hood on June 24-25. They will meet at the McDonalds at 512 and I-5 at 8:30 .am. There are at least 3 different groups leaving for Penticton the weekend of June 24-25. There are two groups leaving Thursday and one group leaving Friday. The annual picnic will be at Pt. Defiance on July 3. Tony and Lona will be cooking for the club but please bring a dessert to share. The directions are on the website and please sign-up. The Hydro races on Black Lake are on July 10 at the Rollins at 12:00. We will meet at the 512 McDonald's at 10:00 a.m. Jacket night will be July 14 at the drive-in in Buckley. July 16 - 17 is the Rain forest Tour. Check the website for the hotels if you are planning to stay overnight. Some cars will continue on home from Pt. Angeles. The Spokane Car Show is July 29

and 30 as well as the Whistler event. Check the website for more details. All perspective and current members are encouraged to join in at any event!

The Beach Baron Club from Oceanside (Longbeach) has invited CGCC to their annual car show on September 10.

Kathy introduced Darryl and Kellie DeVera as new CGCC members. Darryl is our Friendly Chevrolet representative but Kellie was unable to attend the meeting. Kathy introduced the following guests: Dennis and Elaine Walsh; Anthony and Monique Jordan; Ron Berger; Larry Knutson; Rick Ford (who is a former CGCC member). George Schwartz introduced guests Joe and Marianne Johnson. Kathy showed everyone the clips that are available for the CGCC name pins to clip to your clothes. Griotts Garage has donated 3 gift certificates for 5-Star Car show winners – a \$100, a \$75 and a \$50 gift certificate. They also donated car products for the day raffle.

The meeting was recessed at 8:20 and resumed at 8:50 p.m.

Antje Crawford reported on Community Service. Last month quite a few pieces of luggage were donated to the Family Renewal Shelter. This month is games and books and next month will be paper supplies. The Piggy is in the back for those to donate who were not able to bring donations.

Billy Chambers, news editor, thanked Ken Flint for donating ink for the printer. He thanked everyone for the articles and pictures. Now that the newsletter is on the website, he printed only 115 copies this past month. Please send him an email if you do not want to receive a hard copy of the newsletter. He still needs “younger” day pictures of our members for the end of the year newsletter. He will give the picture back after it is scanned. He also encouraged everyone to use the sponsors that are advertised in the Underglass.

Julie Booth gave a run down on the upcoming parades. On July 4, Steilacoom is seeking red, white or blue Corvettes for their parade at 1:00. Auburn put out a call for Corvettes to carry dignitaries at their 4th of July parade at 12:00. The Veteran’s Day Parade is November 5. The Elks Car show is September 17 with a potluck.

Pat and Bob are in charge of the raffle tonight in Elvira’s absence! Bob states that there are “manly” gifts tonight for Father’s Day!

Al Tone stated that there are orders that are in and that he still has lots of clocks. He is trying to purchase a special gas cap. More details at a later meeting.

Don Korn stated that the Club photo album is in the back, which includes pictures from Bozeman.

John Underhill said that a new roster will be coming out on Monday afternoon and will be available on the website.

Marilyn Underhill reported on the Sunshine Committee. A card was sent to Mike Powers and Roy Booth. Flowers were sent to Joe Agnew for his surgery and a sympathy card was also sent. A thank you card was received from Joe Agnew before his death. A thank you card was also received from Jan Campbell.

Ron Waller introduced George Schwartz to speak about a future Autocross. George is looking into a single date at the Shelton Airport for an autocross in September or the 1st weekend in October.

The Club raffle is for a CGCC windbreaker. Julie Tauscher’s name was drawn but she was not present. The windbreaker will still be available next month!

There was no old business.

There was no further new business.

Darryl DeVera stated that Friendly Chevrolet has a lot of Corvettes. GM has cut prices on all other Chevrolets to at or below invoice. **Jim and Sharon Duschel** and **George Schwartz** will be receiving checks for referring buyers to Darryl.

John Johnson announced that there is strawberry shortcake available at the bar after the meeting. Next month will be a Mexican buffet.

The raffle was conducted by Bob and Pat.

The meeting adjourned at 9:25 p.m.

Respectfully submitted,

Jan Johnson, Secretary

Book Club

A Book burrows into your life in a very profound way because the experience of reading is NOT passive. Erica Jong O magazine, 2003. One of the great things about reading a good book is to be able to share it with someone who feels the same way you do. Does this sound familiar? Perhaps you should join the CGCC Book Club. We meet at Borders Book and Music in Tacoma off 38th, across the street from the Tacoma Mall. Our next meeting will be on Sunday, July 17th at 4:00 PM. We will be discussing the book "THE JANE AUSTEN BOOK CLUB" by Karen Joy Fowler. Or we will discuss any book you would like to talk about. If you have any questions or comments about the book club please call Willow Flint at 253-862-9374.

Great Job*

Celebration of Life
Joseph L. Agnew
June 17, 1939 – June 6, 2005
The Candy Man

Joe was a loving family man, devoted to his wife, Mary. He had great joy in his daughter, April Agnew-Berumen and delighted in his two grandchildren, Ariana and Jace Berumen - Agnew. He is also survived by his brother, Eugene Agnew (Holly) his niece, Sharon T. Agnew of Cosby, Tennessee, nephews Gene Roy Agnew and Westly Kane Agnew.

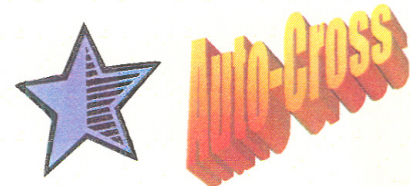

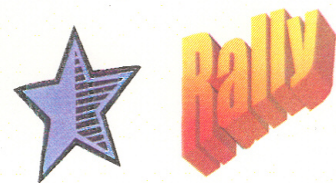

After graduating from Monroe High School in St. Paul, MN, Joe was a MP in the US Army serving in Germany. In his varied work career, he worked for the Milwaukee Railroad, the Alaska Railroad, Paccar and the US Postal Service. Joe was an avid fisherman, an active member of the *Classical Glass Corvette Club* and a devoted member of Life Center First Assembly of God Church in Tacoma, WA One of his favorite things to do was to sing in their annual "Singing Christmas Tree" program.

Joe never met a stranger and his heart was open to anyone in need. As a long time friend of Bill W, he lived by the principle that "his life depended upon the constant thought of others and how he might help to meet their needs."

Joe Agnew...husband, father, grandpa, brother uncle, friend, sponsor, humorist, was well loved and will be sorely missed.

*Could this be the last trip for the
Red Devil*

Yes, even time for a shopping trip

I'LL HAVE THE VEAL AND THE CAR WILL HAVE.....

The grin is automatic when I open the garage door to the Corvette, its curves muted by the cover. The cover off, it sits in the shadows of the garage, quietly waiting. Waiting for me, and I can't resist caressing it, running my fingertips over the subtle upswept curves of the rear quarter panel. Circling the taillights, and following the beltline to the front. Tender polishing has enhanced the sensation; feels so smooth, almost soft.

The car welcomes me with a polite little horn when I reach for the door handle. Easing into the cool leather glove of the seat, the car holds me; it is allowing me to drive. A flick of the key and we have ignition! I listen for any foreign noises, but it just ticks over at a slight cam idle. I can see it waiting with a Madonna smile.

I back out of the garage and scan the engine gauges. Oil pressure is acceptable; everything else is cold, still waking up; especially the tires when I turn onto the street. The ride is hard, but softens after a few miles as the Goodyear's heat up. I am attached to the road, not isolated by layers of insulation, and Lazy Boy suspension. I become the car and the car becomes me.

The morning sun at the Cascade horizon, sends out beams of its rising. The sky is clear and I'm out for a drive in a roadster, even though the majority of the miles are 4 lane freeway. Top down! I reach up and touch the air rising up over the windshield; a little cool. But I'm warm and snug sitting IN a car between the frame rails, watching the road come to me. The car wants to run, I want to run. I want to feel the world, the road. the air, the sun and hear the drumbeat of exhaust. The car is faster and almost quicker than any motorcycle I have ever owned, enhancing the same sensations of being totally alive, aware, not to mention warmer and less prone to become a statistic.

At the on-ramp, the car says, "Now!" A steady pressure on the gas pedal, staying just out of range of the computerized traction control and the car still responds with a headlong rush. Each shift of the transmission sends me to another level. Wind noise increases, and I am pressed back against the seat. Only halfway down the ramp I am exceeding the speed limit by 40 miles an hour and I have to break to enter the freeway. I can't suppress the urge to laugh and I want to hug the car. I would treat it to dinner and give it roses if I could. but my wife wouldn't understand. (Maybe she would, she drove a 68 Camaro before we were married).

In an everyday-mobile, a normal "point A to point B" machine; 4 doors and coffee holders; radio tuned to the traffic channel, I tend to go with traffic, to blend in, exceeding the speed limit by 5 or 10 miles an hour, like everyone else. But a feeling of well-being has been created and there is no need to accessorize. Blending in is not possible in a red Corvette roadster and I have the power to slow my world down. In the slow-lane, I can watch the rest of the world rushing by with the knowledge that 2 inches below my right foot lays another World. A World that's not attainable for those other cars.

A small boy in his rear car seat in a Volvo station-wagon stares at the car with a smile on his face as long as

he can see us. A flat black Honda with an absurd rear spoiler, snarling exhaust, and a scowling front air dam, comes along side and wants to race. But I don't have to. I don't need to prove a thing; I'm driving a Corvette.

The car has created a public place that is a private space for me. I am the car, the car is me.
