# Words from our President

Aloha to One and All,

Yet another great turnout for our May meeting! We had 97 members and 17 guests in attendance this month. Mitch Smith, Dupont; Ray & Kathy Helt, Tacoma; Tim Tilton, Tacoma; George & Liz Longhurst, Puyallup; Steve & Carol Cole, Vancouver were all received as new club members. A **BIG CLASSICAL GLASS WELCOME** to you all.

Guests present were Rick & Donna Malcom, Federal Way; Dave & Sue Lowe, Auburn; Todd Blake, Tacoma; Dennis Walch, Puyallup; Richard Barrett & Pan Poramapojana, Puyallup and Tim Cox from the Corvette Marque Club of Seattle. A Classical Glass welcome to you all as well!

Thank you Tim Cox for giving CGCC a short presentation on the new craze of Valve Cover Racing and for inviting the club to participate in the Crista Ministries Car Show on July 23<sup>rd</sup>. I encourage all CGCC members to attend the show. It is always a fun event and with the added excitement of the valve cover racing it will be a day to remember.

Classical Glass would again like to express its thanks and gratitude to the Lakewood Elks for providing our meeting place and a great meal for Saturday night. We sincerely appreciate the opportunity to gather there and enjoy their hospitality.

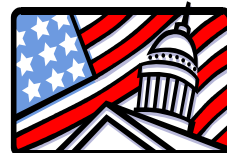

The big club door prize winner for May was none other than yours truly. I had asked Stephani Cavender to draw our lucky winner and to my surprise she drew my name. Thanks Stephani! Thank you Duane and Edith for donating the prize! So, come to the next meeting, you may be the lucky one to win a great door prize.

At the April meeting I presented the club with an application from the Lemay Museum inviting us to join the America's Car Museum. I'm happy to announce that our application was accepted and that we are now members.

Now that the season has started, it's great to see so many CGCC members taking part in parades, road trips and other events. I encourage all members to check out the event calendar and come out and join the fun.

That's all for now! See you all when we return from The Big Sky Corvette Meet in Montana.

The Perez

Jan also passed around a box for donations for the Club to purchase gift certificates to Mid-America for the Banquet raffle. Chuck Hulka reported that judges are still needed for the car show. New judges will be paired up with experienced judges so this is a good time to sign up.

The meeting was recessed at 8:05 and resumed at 8:30 p.m.

**Tony** spoke for Elvira on the raffle. When your number is called, please pick the next number and move out swiftly!

**Julie Booth** reported on parades. The Wenatchee parade was lots of fun and there were 14 cars. July 4, the Steilacoom Parade is asking for Corvettes to participate that are red, white or blue. The Elks Club Show is September 17 between 11:00 and 4:00. The Elks will supply the hamburgers and hot dogs and we will bring the side dishes.

The Elks Club cooks are strictly volunteers. We pass a basket each month for them. **Al Tone** mentioned that he could order lightweight jackets with a choice of colors for \$95. Cindy Peeler has volunteered to help Al with the sales. Al also has a lot of CGCC clocks to sell.

**Dave Crawford** spoke on Community Service. The Piggy collected \$109 last month. **Marilyn Underhill** reported on Sunshine. She received a thank you from Nadine Hunter and B J Tone.

She reminded everyone to let her know if anyone is in need of a card.

**John Underhill** stated that we do not share our roster outside of the club. Bret Chevrolet has sent some advertising to some of the members. John Johnson reported that in order to receive items for the goodie bags, some companies have requested our roster. The roster will not be sent to anyone that requests outside of the Club.

**Len Tucker** reported that the National Corvette Museum still has raffles available and they can be checked out on their web page.

**Billy Chambers** reported that 140 copies of the newsletter were printed. He is still in need of old pictures for the last newsletter of the year.

### **New Business**

**Rayetta Montgomery** presented a proposal to change the bylaws concerning the voting in of new members. The proposal eliminates the need to have the members voted on by the membership of the Club. The Membership Chairman would introduce them as new members after they have qualified. It will be read twice as well as printed in the Underglass and then voted on.

Tony Hyatt's name was drawn for the Corvette sketch donated by Duane and Edith Rice.

**Ruth-Ann Matthias** brought an article from the Seattle Times on the new 2006 Corvettes.

**Linda Morin** moved that CGCC donate \$500 to the 5-Star Raffle for use in purchasing prizes. It was seconded by Billy Chambers and passed.

**Yakima Valley Vettes** Present 32nd VETTE-A-BRA TION June 10-12th, 2005  
*This is a great little corvette show and its only two hours away. I've been doing this event for the past twenty years and only twice saw rain. They call Yakima, Palm Springs of Washington, and I always look forward to joining members from CGCC at this fun little event. Some of us go over on Friday morning so we can spend the day by the pool and go out for Mexican food that night. On Saturday morning it's out to Sarge Hubbard Park for the car show on the grass. They put on a great Bar-B-Q at the park and then there's a mini wine tour in the valley. Saturday night it's a pool side pizza party with door prizes and drink. Sunday morning the Trophies are awarded poolside and then a Road Rally and a Bar-B-Q at one of member's homes. Every penny that Valley Vettes take in from this event goes to helping out the needy. I've always thought that if we support other clubs in Washington, they might be interested in supporting our 5-Star Event. Every year Corvettes of Olympia show up with a lot members. This year I'd like to see Classical Glass take club par for the first time. So please give Yakima a chance and join Jan & me at Vette-A-Bratton June 10-12<sup>th</sup>.*  
**PS.** Registration for Vette-A-Bratton is at the Clarion Inn (same as before, but new name) 507 N. 1<sup>st</sup>.street.Yakima, WA. (509)248-7850. When making reservations please tell them your with Yakima Valley Corvette Club. Friday night is a cruise to Miners. **SOUPY**

***25th Annual Tour to San Simeon. Presented By South Valley Corvettes.*** This year's event was bigger and better than past years, with a total of 225 Corvettes scattered among the local motels. This show has always been known for the large amount of door prizes that are given away. The main tour begins in Gilroy, Ca and tours south down Hwy 101 to Paso Robles and then west on Hwy 46 through the rolling hills and a chance to visit some of the many winery's on the way to or on the way home from San Simeon. This Year's tour from Gilroy was six miles long. The weather was perfect and a good time was enjoyed by all. The Tour to San Simeon is not a car show it's a gathering of Corvettes. You can tour Hearst Castle, explore the beaches, watch the sun go down over the horizon and enjoy the view, while having dinner in one of the many restaurants. During this event there's always wine tasting and lots of goodies to snack on while waiting for your lucky number to be called. Hundreds of prizes are given away at this event, plus special raffle tickets for the larger prizes which include T.V's, Stereo's, Bike's and many more larger items. There were corvettes from all over California, Nevada, Arizona and Oregon. The distance award went to a man from Everett, Washington. For information on The San Simeon tour of 2006, contact Larry (408) 848-2086. 2006 tour to San Simeon will be held April 8th-9th. **Vette Vues Magazine.** If you've never heard of Vette Vues Magazine it's because it's not sold in stores. You can only order from a representative of the magazine. It's the size of a TV Guide and full of more information than any Corvette magazine on the market. You can read about the latest in Corvette news. When the new C-6 was first shown, Vette Vues was loaded with more information and photos than all for the other sources on the market. It has information on Corvette events all over the country, information on models, parts, and if you have a Corvette to sell they'll run a picture and information at no charge. I'm the west coast rep for Vette Vues Magazine and if you ever dreamed of seeing your Corvette in a magazine, your chance of this happening will never be better than now. I'll be taking photos at several Corvette shows this summer including 5-Star. If interested in a subscription, it's \$24.95 a year and you get a free t-shirt. If you ordered this shirt from Vette Vues it will cost you \$15.00 plus \$3.95 *8th*. In 2004 several members were thrilled to see their Corvette in Vette Vues. ## ***"The Joy of Z06"***

It's morning, and all the first-of-the-day chores and routines have been completed. I walk to my garage and open the door. She's waiting there-patiently watching me, knowing me. I push the button on the fob, and she even winks at me. She knows. The door opens at my touch and I climb inside and settle myself into a snug, leather appointed cockpit and close the door. I strap myself in, and for good measure, pull the lap strap to activate the cinch. And with that, I know I am hers. She has me right where she wants me. The key is inserted into the ignition, but before firing her up, I turn it to the on position. The digital readout in front of me flashes "CORVETTE... BY CHEVROLET". That's just a tease. The final segment of turn on the key is made, and she comes to full wakefulness with a roar. She is ready, and now she grows impatient. It's even a little intimidating: 405 horses are being held up. The shift into first, the release of the brake, and the gentle ease of pressure on the clutch and application of pressure on the gas... we have movement now. In front of me, glowing green in the air in front of me, I'm told my RPM and speed. Its in single digits for now, and she's irritated with my caution. "It's okay, baby," I tell her in my mind, "just a moment longer." Pressure on the gas increases and she rolls ahead. Her impatience to run can't be restrained any more- she locks the doors on me, a signal that's she's not letting me out until she's had her way with me. I reach the street now, and reward her waiting: the gas goes down hard, and rhythmically, we go second, third, fourth... Now, she's getting happy. The green numbers floating in front of me spiral upward, and she gently pushes me back into the seat. "I'll take it from here," she whispers to me. Am I the one in control here, or is she? Does she decide the route I take will be the direct one, or the scenic one so we can spend more time together? Did she choose the path that she knows features challenging twisties in the road, or does she want the straight-aways for speed? Is that her raising the volume on the music? "You can listen to anything you want," she tells me, "pick something to set the mood. But you aren't getting out of here until I say so." "Whatever you say," I respond again, inside my head. I'm almost breathless now. Did the journey last hours? Or mere minutes? I can't really say- I'm just not sure. Somehow, when I surrender myself to her, time has no meaning. I just know that at some point, the conscious part of me realizes that where ever we were headed, we've arrived. The brake has been applied. We sit in neutral. And now the key has been turned off, giving her a well earned rest. I sit for a moment, still strapped in, still hearing the music she's playing, but listening to my accelerated heart beat. I'm smiling. I gather myself, release the seat belt and exit the cockpit. I'm still smiling. I push the lock button on the fob, and watch as she winks to me once more. And I'm still smiling. "When you want to do it again, you know where to find me," I hear her say. But she knows that's un-necessary. I'll be back for more. I always am.

# Gas Up Chili feed

OOO doggie what a feed . The start of the season has begun with a bang. If you missed the feed, you missed a great time. Tony's cooking was up to the challenge, hot dogs and hamburgers galore. The Wallers hospitality and graciousness was superb! The weather held out to be at its finest. The attendance was high just as spirits were too. What an atmosphere of relaxation, friendship, laughter and togetherness. As for the chili.... You could have it hot, spicy, mild, with beans, with out beans or white. So many choices, it was hard to choose. So we had a little of each to top it all off were the desserts (too many to list). A take out list was made. To the Wallers, we tip our hat once again a successful chili feed and come and gone. Thank you for opening your home to all of us.

Go Tony Go !!

I just can't get enough !!

Which one should we choose??

What a Group !

## *Woodland Lilac Garden*

What a beautiful day. The weather really came through for us. Seven shiny Corvettes headed South. We left Tac. on Sun. (5/1) at 10:00 AM, and cruised into Woodland about 11:45. Stopped at the Oak Tree for Sunday Brunch. The meal was worth the trip in itself. Afterwards we went to the Helga Klager Lilac Gardens for a tour through the gardens and Helga's old farm house that she moved into in 1877. It was a nice day even though the unseasonable warm weather we had in Feb. caused the lilacs to bloom early and so they were pretty much over with by this time. However, the weather, and just being out in our cars with good friends made for a pleasant time. Maybe we can go again some time when the lilacs are in full bloom. *Linda Rollins*

## *Anacortes*

What a hoot we had rain on the way up, but only a over cast day on Saturday. All together 16 of our beautiful cars made a fine showing on the main drag. We looked good if I have to say so my self, 3 of our cars

took home trophies for all their hard work John and Marilyn, Carole Cole & My new Dad Dave Bailey O yes and Brittney. At the end of the show as all the cars pulled out to leave, the host Majestic Glass Corvette Club were there to send us off and on our way. Great job.

### **WENATCHEE APPLE BLOSSOM IS A KEEPER!!!!**

**CGCC** was well represented in the Wenatchee Apple Blossom parade on Saturday, May7, 2005. There were 14 cars in attendance and the crowd loved each and every one. We caravanned to Leavenworth on Friday. Friday night we were joined by Patsy and Mike Miles CGCC members from Ellensburg. We celebrated Ron and Barbara's anniversary at a great German restaurant. Saturday we had a great dinner in Wenatchee after a tour led by our Perez and First Lady. At the dinner, we celebrated Tony and Joe's birthdays. We did a little more than eat as there was a bit of shopping in Leavenworth, and of course the visiting and getting to know one another better at the Booth's patio. Put this week-end on your "must do" for next year. It is a FUN event. This was all well planned by Julie and Roy Booth. Thank you two. **Barbara**

Dear friends at Classical Glass Corvette Club, Thank you all so very much for your continued help with the needs at the shelter homes. We so appreciate everything you do. Your loving and consistent concern makes such a difference in the lives of the families that we work with. It's a big encouragement to staff, too! You're super- just wanted to tell you! God bless you, sincerely Keith and Staff at the Family Renewal Shelter.

Also a short note regarding the **5-Star Raffle**. Donations for the Raffle may be brought to the meeting or dropped off at Antje and Dave's house. We have plenty of storage. Our phone # 253-531-6897 cell 253-691-0714. We also want to make sure that everyone gets a chance at the monthly meeting to donate some money toward the Mid-America gift certificates. Unfortunately the donation box never got everyone at the last meeting and we did not collect as much as we hoped for. We would really like to be able to buy a couple of nice gifts certificates and hope for a better participation at the next meeting ! We appreciate everyone's help !!

### A Family Renewal Story

Last summer I had a weekend off, so I decided it was time to spend the day checking out as many garage sales as I could find. After stopping at the first few I remembered what Linda Morin had mentioned at one of the meetings about how the Renewal shelter was always in need of any kind of luggage. So I started telling the story where ever I stopped about how our Corvette Club supported the Family Renewal Shelter for battered women and they were in need of luggage. I was able to fill my entire Van full of used suitcases that day and all it cost me was \$5.00 out of pocket. Over 80% of what I collected was just donated for free.

I called Linda Morin that afternoon and she gave me a contact phone number. When I delivered my load of goodies the next day the lady said "just put them in my car". When she saw what I was able to collect she was shocked. Of course they wouldn't fit in her car.

As a member of Classical Glass Corvette Club you too can make a difference. Almost everyone had old luggage in his or her garage or attic and it doesn't matter the condition it is in. Thank God for all our members willing to help and make a difference for our Charity.

Thanks to our community service committee,

*Soupy*
