# Words from our President

Aloha to One and All,

Wow, another outstanding turnout for our April meeting! There were 95 members and 11 guests in attendance. Bill and Diane Gander were voted in as new club members. A **BIG CLASSICAL GLASS WELCOME** to you all.

Guests present were Mitch Smith, Dupont; Mark Vinson, Lakewood; Jack Gearon, Edgewood; Tim Tilton, Tacoma; Ray and Kathy Helt, Tacoma; Allan and Lanette Mikesell, Bonney Lake. A Classical Glass welcome to you all as well!

Classical Glass would like to express its thanks and gratitude to the Lakewood Elks for providing our meeting place and a great meal for Saturday night. We sincerely appreciate the opportunity to gather there and enjoy their hospitality.

I also want to thank all of the veteran members and prospective members for attending the club meetings. Again, as I've stated before, without you we wouldn't have this great and fun club.

Congratulations to Bob Jones who was the lucky winner of the club's door prize, a set of "The Six Generations of the Corvette Glasses". Also, A BIG THANK YOU is in order for Duane and Edith Rice for their donation of an art drawing of a Gulf Hot Rod Garage with seven (7) 60's Corvettes. Yes, one and all, I counted them real slow. So, come to the next meeting, you may be the lucky one to win this prize.

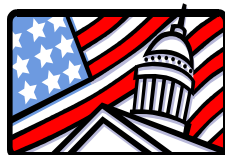

At the meeting I presented the club with an application from the Lemay Museum inviting us to join the America's Car Museum. A motion was made, seconded and passed in favor of joining the museum at the \$100, Iron Level.

Although I was not physically at the Daffodil Parade, I was there in spirit and via cell phone with Lona. I understand from all reports that even though it rained cats and dogs during the Tacoma leg, fun was had by all who participated. It was also reported that we had a record turn-out of cars, twenty-seven in all. Wow! After the conclusion of the parade, everyone headed to Baron Manfred and Baroness Ingeborg Vierhaler's Restaurant for a *fantastic dinner*. A Big CGGC thanks to the Vierhaler's for a great ending to an enjoyable day.

The season has begun folks! So check out the event calendar and come out and join the fun and camaraderie. This is the time to become reacquainted with past friends and meet new ones! It's stacking up to be one of the best Corvette seasons ever!

That's all for now! Hope to see you all at the next function.

The Pres

CLASSICAL GLASS CORVETTE CLUB GENERAL MEMBERSHIP

The Club drawing was held and Bob Jones won the generation Corvette glasses! Next month's drawing prize was donated by Duane and Edith Rice. It is a pencil drawing of seven Corvettes.

**Kathy Fechter** shared an email from a former member Craig Findley who had been looking at Corvettes at Friendly Chevrolet with Darrell De V erg. Darrell De V erg stated that Friendly Chevrolet has sold a lot of Corvettes and they will be getting more. He will leave a list of the available Corvettes in the back. Kathy introduced the following guests: Ray and Kathy Helt; Mark Vinson; Jack Gearon; Mitch Smith; Tim Tilton and Bill and Diane Gander. Bill and Diane were also voted in as new members.

**Anije Crawford** thanked everyone for the donations for the Family Renewal Shelter. Next month, we will be collecting luggage, back packs, etc. The amount collected at the March meeting was \$64 in the "little piggy".

**July Booth** went over the schedule for the parades. The Daffodil Parade is this next Saturday, April 16. She needs to know the count for the diner at the winery. Everyone should meet at the Dock Street Cafe at 7 :30. The cars will line up at 9:00. You may decorate your car. She does have enough cars to carry dignitaries. The Wenatchee parade is May 6-8. All cars should meet at the Las Cabos restaurant parking lot at the Super Mall. The group will be staying in Leavenworth. The Rhododendron Parade is May 21 and the sign up sheet is in the back.

**Dave Bailey** reported that the website is up and running.

**Billy Chambers** reported that he printed 140 copies of the newsletter. Fifteen members have signed up for email distribution. There is a sign-up sheet in the back.

**John Johnson** reported that the registration is now on the web site for 5-Star. There is a list to sign up to help. You will be contacted by the person in charge for further details.

**Chuck Hulka** reminded everyone to sign up for judging. He needs new and experienced judges. There will be a brush-up course held at the Club picnic on July 3,2005.

John also reminded the Club that the Elks will be having a Crab Feed on April 23. Please see John for tickets. May's menu for the meeting night will be Mexican. If anyone is interested in joining the Elk's, the initiation fee is \$1.00 and the annual dues is \$100.

**Elvira** reminded everyone that the raffles tickets are \$1 or 6 for \$5.00. When your number is called, please come up to draw the next number and then choose your prize. She also thanked those who donated prizes to the raffle.

**Al Tone** stated that he has jackets, blankets flags and clocks to sell!

**Len Tucker** reported that the Corvette Museum has arranged a 10-night Panama Canal Cruise. Check out the web site if you are interested. The raffle tickets for the Labor Day raffle are \$10 - it is for a 2006 Red Coupe. Anyone who purchases a membership tonight will enter a drawing for a package of card from the 2002 Monterey Car show.

There are bricks for sale for the Flint Brick Wall at the Museum. The cost is \$250 to put your name on the brick. Go to our website and link to the Corvette Museum.

**Bob DePirro** reviewed the past events. Jacket night on March 17 was at Guido's. The Wet Weekend was last weekend. There were 17 cars and one Volvo. The Super 8 motel manager took pictures of all of the Corvettes. Linda Morin gave an overall review of the weekend. In April the Book Club meets on the 17th; jacket night is at the Swiss on April 11 and the Olympia rally is on the 24th, In May the events are: Waller Chili Feed on May 15; Anacortes Car Show May 21-22; Red and Black Vette show May 27-28 and the Montana show May 27-29. Chuck Hulka is heading up the schedule for the caravans. There are different times to choose from. June 12 is jacket night at the Tacoma Rainier's baseball games.

The autocross has been cancelled on June 12 at the Shelton Airport.

**Kathy** reported that there are 95 members in attendance and 11 guests.

Alan and Lanette Mikesell are also guests tonight.

**JoAnn Kennedy** reported that there is still space in September and November for treats. Please remember that donations are also welcome.

**Barb Waller** reported that there is a sign-up for food for the May 15th event. The group will caravan from the Purdy exit to their home. Directions are on the website. The meeting was recessed at 8:05 and resumed at 8:30 p.m.

**John Underhill** stated that there are 12 hard copies of the roster available. There will be a new roster emailed next month. Please contact John for any address changes, etc.

**Joan Schultz** reported that the Christmas Dinner will be December 10. If anyone has any crafty ideas, please email her at schultzI15@aol.com.

**Marilyn Underhill** reported that Joe Agnew had knee surgery and that BJ Tone had back problems and that her brother passed away. Flowers were also sent to Nadine Hunter. Please let Marilyn know if you hear of anyone who might need a card or flowers sent to.

**John Munson** thanked everyone for the card when his father passed away.

**Ron Waller** reported for NW ACC that the next meeting is tomorrow. The autocross was cancelled due to a conflict of time with the facilities. CGCC is well represented on the Board of NW ACC. There are only two sanctioned car shows this year - *CGCC* and *Rose City*.

# BOOK CLUB

The May Book Club meeting will take place on Sunday, May 22nd At 4:00 PM. We meet at Borders Book and Music on 38th street across the street from the Tacoma Mall.

Please call Willow (253) 862-9374 with questions or car pool request. We will be discussing the book **BEL CANTO** by *Ann Patchett* and would love to hear your input. Read any other great books lately ? Let us know ! Come share with us !

At April meeting we discussed the book **THE VIRGIN BLUE** by *Tracy Chevalier*. Out of a possible 5 star rating with 5 being the best, the club voted the book as a 3-1/2 . Most of the club members enjoyed the book until the end..... Or should I say lack of it. It was an interesting point that the Author actually apologizes on her website for not having a proper “ending” for the book. Some club members felt let down at the end and other club members had vivid imaginations and felt that they had made a proper ending with no loose ends.

## 2005 Wet Weekend

This years' Wet Weekend lived up to it's name, however we also had times between the rain showers to see the sights. A hardy group of 18 Corvettes (and one Volvo) made the trip to Long Beach for a well planned weekend. Once again the owners of the Super 8 Motel welcomed our club most graciously, including a photo session with individual pictures of us and our Vettes. We were treated equally well by the other establishments that we patronized throughout the weekend. Some of us visited the Long Beach Tavern to play some pool and watch the final four basketball tournament. They opened up their back room for us without any hesitation. Dinner Saturday night was almost unbelievable. The restaurant was definitely prepared to be invaded by 36 hungry people. Our reservations were for 6:30 and by 6:45 everyone had food in front of them. The service was fast and friendly and the food was great. Part of our group headed for home early Sunday and others stayed for a stroll along the board walk and the beach. We believe everyone had a super time and would agree with us that Bob DePirro and Don Mulligan should be commended for a well planned event. Linda & Marty Morin

### **CGCC will have their name on the National Corvette Museum's Historic Flint Brick Wall.**

I would like to thank the Club for supporting the NCM with the purchase of a signature plate on a Flint Brick on the Historic Flint Brick Wall at the NCM.

You can also support the Museum and have your name engraved on a signature plate and attached as a permanent fixture incorporated into the Flint Brick wall of the St. Louis Corvette Assembly Plant display of the Museum. This permanent display is limited to only **620 usable bricks** and each brick space reserved in the display area wall will be recognized with certificate of authenticity. NCM Members can reserve their space on the Flint

Brick wall by donating \$250 / \$300 for non-members. The Flint Brick wall display is incorporated into a very significant area of the Museum and will be a lasting way to recognize our fundraising supporters. The display is limited to only **620** spaces.

The brick plates will be arranged on the wall from the center out, and are available on a first come-first serve basis. Proceeds from the Flint Brick display wall will benefit the Museum's building campaign. The historic Flint Bricks used in this display are bricks from the GM Assembly Plant where the 300 1953 Corvettes were made in Flint Michigan.

This building was razed in 2003, and General Motors has allowed us the opportunity to use them as a fundraiser for the building addition. Reserve your spot while space is available. If you have any questions about the Museum, please see me at one of our meetings, or contact the NCM directly at <http://www.corvettemuseum.com> or 800.53VETTE. The

NCM has a gift shop with Vette and NCM clothes and other items.

**Dennis & Charlene Petersen**

It started out like a usual Daffodil Parade wet and gloomy, but as more and more Corvettes showed up the sun appeared ! In Tacoma we had 30 Corvettes and our front 7 carried the Daffodil Queens chaperones. With rain throughout Tacoma we pushed ahead.

We made our run to Puyallup, onto Sumner and finally Orting. Just before each of these, the rain stopped, we dried cars, loaded the ladies and ran again.

The lucky seven were The Baron, Bill, Tom, Gary, Soupy, Don, & Ken and Billy brought up the rear to make sure no one ran off with a chaperone.

After a long day of driving slow, drying off cars and hauling chaperones , the club abjured to The Winery for food and drinks. A BIG thank you to Julie and Roy Booth for a well organized day of fun.

## **CORVETTES OF BAKERSFIELD'S 13th ANNUAL GAMBLER'S CLASSIC**

This year Gambler's Classic was moved from Laughlin, Nevada to PRIMM, Nevada because of lack of parking space. Primm, NV is located on the California-Nevada boarder on Hwy 15.

The event hosted by Corvette's of Bakersfield at the Buffalo Bill's Resort & Casino. This was a great location for this type of event. Lots of room for parking and the Buffalo Bill's offer plenty of things to keep everyone occupied. There's a huge roller coaster, a sky drop and water rides though out the casino. There's lots of different places to eat, a movie theater a special section for the kid's and an overhead monorail to transport you to the other two casino's The Bakersfield Corvette Club sure know how to put on an event. Everything was well organized and the club members working together did what-ever needed to keep everyone happy. There was a welcome dinner, BAR-BQ ,a Dinner and dance with great entertainment a poker run and a Slot Tournament and much more. The car show was held behind Buffalo Bill's in a large fenced in lot with room to grow in the future. I never did get a final count on how many Corvette's were entered in the car show. It looked like 70% were C-5's. I counted seventeen C-6 coupes and four C-6 convertible's. There were lots of other earlier years of Corvettes and a large selection of custom Corvette's. One Corvette claimed to be worth Y2 million. There was a large choice of vender's including Speed Lingerie, Soupys Vette Stuff, Daytona Dash, Xtreme Motor sports and many more to keep everyone happy. Jerry & Lori Berger and Tom & Gayla Gibson were in charge of this event and did an excellent job.

## **CALL FOR COLORS**

As a young and fairly new member, I have noticed one thing our club members can't be picked out of a crowd. For an example: there were several couples at the restaurant where we gathered for breakfast just before the Daffodil parade and the server asked me if the CGCC was going to meet here this morning? And much to my surprise, I said that we were already here! I looked around and noticed all sorts of colors of jackets with our club logo, hats and shirts that only said Corvette, but no one looked uniformed. We did not even stand out in the parade crowd! For those of you whom cruised 2 years ago with Rose City, remember an awesome photograph taken in the center of the ship. We were all uniformed with red shirts and jeans, we were noticed and recognized, now that is impressive! I would like to suggest that when we gather for all our Corvette events, that we show our colors in our red shirts. Al Tone can order these shirts in all sizes and any style to fit your needs. We are a club and I am proud to be recognized so let us show our colors!
