**Northwest Corvette Association's Autocross**

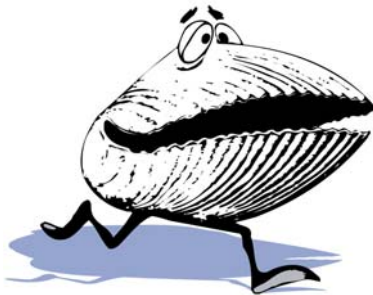

Of the thirty-two entrants at Northwest's autocross September 24th, ten were CGCC members.

It was a gorgeous fall week-end where 10 CGCC members did their best at the Portland International Airport in the last club autocross of the season. The results are not in yet, however we expect a few trophies.

The last Autocross is the NWACC autocross to be held on Sunday, October 10th at the Shelton Airport. If you've ever seen an autocross, this is the one to attend as it is REALLY the last of 2005 and all of the pro's will be there trying to win the year-end points. Check the website for further details.

# Book Club Bar-B-Q

CGCC Book Club BBQ held at Ken & Willow Flints home. The Flints put on a fantastic dinner for us. The menu was a variety of wonderful cheeses with smoked salmon, crackers and fresh fruit, for starters with a wide range of libations and soft drinks for everyone's palate. Then tender, tender steaks, Ken's special giant prawns, blue cheese potato salad, macaroni salad, 24 hr layered salad, fresh fruit salad, Texas toast and many different wines to go with our dinner. Then a platter of triple chocolate chunk brownies with/without walnuts. We all brought the books that we most wanted everyone to read this next year and had a great time drawing the selections from the three different categories. Willow will be giving us the final list soon. We picked a bunch of great selections for this next year, so maybe more people would like to join us. You don't have to read every selection, if you don't want to read that month's choice, that's fine. You can at least hear what everyone else thinks about the book. It has opened all of us up to reading some totally different types of books than we would normally read, and therefore, advance our horizons. Please put at least one of the pictures in the newsletter. Both Ken and Willow were wonderful hosts and we all had a terrific time. Thank you Ken and Willow for a wonderful day filled with all kinds of new and exciting adventures not only in eating, but in reading and meeting and making of new friends. What a way to end our summer!

# Book Club

The September Book Club BBQ was fun and productive. Not only did we enjoy ourselves but we have chosen our 2006 reading list. Each of us chose our favorite classic, summer read and all time favorite books. We had a drawing for each month. Our final list is diverse and intriguing. We will be publishing this list shortly. We will also have a list of Classical Glass Book Club Favorites that will include all the books that were not drawn but will be available to anyone who wants the list for good reading ideas. Next months meeting will be on Sunday, October 16th at 4:00 PM. We will be meeting at Borders Book and Music on 38th Street across the street from the Tacoma Mall. Everyone is invited. If you love to read, you will probably enjoy attending the meetings. The Book Club rated our September Book (The Kalahari Typing School For Men by Alexander McCall Smith) as a 3 on a scale of 1 to 5. This is a fun, easy to read, summer book. For more information, please call Willow Flint 253-862-9374

### **NEWE Awards**

It's that time of year again where the members select the male and the female who they think best serves as a role model for the club. If you didn't vote at the last meeting, here are some guidelines. These people can or do mentor new members, actively support CGCC activities, initiate positive changes in policies/procedures in CGC among other things.. This award was established in 1990 in honor of Nelson West, a former member. This is the highest honor bestowed on two members. Vote your choice at the next meeting. The two selected will be announced at the Holiday Awards banquet in December.
