ELECTION OF 2006 OFFICERS

Since our meeting was cancelled in August, we will take nominations for the Officer positions for 2006 at our September meeting. If you would like to be an officer, please call a nomination committee member. They are: Julie Booth, Lou Caldwell, Lona Hyatt, Marilyn Underhill or Barbara Waller. Nominations will be made from the floor. You may self nominate if you wish. At this meeting we will be taking volunteers for the NWACC Representative positions. CGCC has two reps and one alternate. Our by-laws dictate that we vote at the September and the October meetings by secret ballot. Ballots will be printed with the current nominations and any added at the September meeting will be write-in votes. There will also be the opportunity to vote at the October meeting. Becoming an officer is a rewarding experience. Try it! You'll like it!

Book Club

Reading: according to The American Heritage Dictionary: #5) A Personal interpretation or appraisal.

The book club is beginning to understand that interpretation is the key. Have you read a good book? Share it with others and hear their interpretation of it and uncover secrets in the book that you hadn't discovered. A good book can open doors to understanding many things in your own life, enjoy it !

The August Book Club Meeting discussed, *Open House* by Elizabeth Berg. As a casual SUMMER READ, the club voted it as a 3-1/2 on a scale of 1 to 5. It's entertaining and fast as a summer read with some enlightening insight on human nature.

Next month's Book Club (discussing the book *THE KALAHARI TYPING SCHOOL FOR MEN* by Alexander McCall Smith) will be a BBQ and meeting at the Flint residence. For more information, please call Willow Flint at 253-862-9374

Classical Glass Scores Big at Whistler!

Fifteen CGCC cars traveled to the wonderful resort at Whistler and brought home 10 trophies. In the Car Show Ron Waller and Chuck Hulka took third. Don Korn took a second, and Tony Hyatt, David Bailey and Nick Abel took firsts in their respective classes. Patsy Miles was an obvious BEST OF SHOW with her gorgeous Anniversary Edition with the new addition of "fire". CGCC took home a very nice silver platter as the "hands down" winner of Club with the best participation. In the Autocross, George took a third and Ron Waller took first in his class. The Canadians are known for their hospitality, and this trip was no exception. Friday evening, we were treated to a nice casual buffet. We met new friends and visited with old friends. Saturday was the Show and Shine with dinner on the top of the mountain, then awards were announced for the show and shine and a raffle was held. Chuck and Crystal came away with the grand prize. Sunday was the Autocross at the Pemberton Airport. Dinner Sunday night was at the hotel, and Monday back to Washington.

Good evening everyone,

I hope you all had a great weekend. I am happy to announce the latest addition to the CGCC Website: The Classical Glass Online Photo Album!

There are links to the Album from the main page of our website or you can also click on the following link to access the new site. The new photo album goes back to 2003.

It has the events broken down in the months they occurred. Hopefully I have all the months correct ☺ For each month you select you can scroll down the page and select an event that occurred during that month. If you click on the event it will bring up a new view that allows you to access each photo separately or view them in a slide show.

This new site also gives you the ability to select photos and have them printed and shipped directly to your house for your own personal albums.

One note on the album: I was not around much during 2004 due to my travels in Europe, so if anyone wants to send me event photos from 2004, I would be happy to upload them.

I hope you all enjoy this new service.

Thanks *Dave Bailey*, Webmaster

5-Star Classic

Well if you missed it , you missed a LOT. Our car show was a hit from start to finish. Right up front let me say THANK YOU to ALL the Volunteers from John Johnson , Gary Pautz and each and every person who worked, donated and supported your 5-Star. You should be right to Proud of your self's. We filled the lot with 85 cars at Friendly Chevrolet for the Show. There were cars from Oregon, B.C., Idaho and even a car with Arkansas plates. Looking back thru our records this was the Largest show since 1999. The Autocross was just as big, with 60 cars running for all they were worth. There were several new comers to autocross including my self. Yes I'm Hooked. If you have not tried it yet You must !!!!!!!!!!!!!!! There were even New C-6's out there running around the course. The weather held out just right for both days, starting out cool then warming as the days went on. On each day we were served a lunch by some of the Best People in our Club the ones behind the scene. Whom served with out be recognized. Our Banquet was a huge success. The Puyallup Elks staff made our evening a gala event with the food and service worthy of a 5-Star affair. Once again THANK YOU for all the hard work and time spent putting together and pulling off one of the BEST Corvette shows around. Billy, Editor, Chief bottle washer.

Seattle Marque Club's Track Day At Pacific Raceways

64 cars, mostly Corvettes, but including Porsches, Camaros, GTOs, Mustangs and Cadillac's got up early for the 7am tech inspection at Pacific Raceways. This was the Seattle Marque Corvette Club track day in which Tim Tilton and I participated. Four run groups were set for beginner, with an instructor, to advanced drivers. Each run group got 4 track sessions of about 25 minutes each. 25 minutes is a long time when you are pushing yourself and your car to limits that you may not have tried before. It is very EXCITING and definitely gets your adrenaline going. I recommend to all Corvette drivers.
