## WORDS FROM THE PREZ

Aloha and a Happy New Year to One and All,

I would like to wish everyone a Happy New Year and a fun Corvette season for 2006. I know that all of the folks who attended the many events last year had a great time. I'm looking forward to meeting and greeting all of you this year.

I would like to say congratulations to our newly wedded members Joan and Michael Thames. They tied the knot in Hawaii on January 10<sup>th</sup>. I would also like to thank Joan and Michael for their super efforts in making our 2005 Christmas Gala such a fun and joyous evening for all in attendance.

Additionally, the club would like to once again thank Joe & Stephani Cavender for opening their beautifully decorated home to us in December. If you were unable to attend this event last December, be sure and pencil it in for 2006. Not only were the lights wonderful, the fellowship made this event one for the memory books.

Our first meeting for 2006 brought out 92 of our members, 12 guests and one visitor. Wow, what a great start for 2006! Guests were Chuck Brezina of Auburn, Mark & Penny Swanson of Tacoma, Jerry Gonzalez of Sumner, Jim & Nancy Howington of Black Diamond, Jim & Margith of Puyallup, Al Hewitt of Federal Way, and David & Barbara Rock of Tacoma. Chuck Brezina, Dave & Barbara Rock and Jim & Margith were accepted in as members. A **BIG CLASSICAL GLASS WELCOME** to you all.

The club door prize was a light blue Classical Glass polo shirt won by Jan Johnson. Remember, each month we have a special door prize winner drawn from all club members. You must be present to win!

Our thanks to Stephani Cavender, our new PR chairman, who renewed a current sponsor and signed up a new one during the General Membership Meeting break! Way to go Stephani!

The corvette season will soon be upon us, so now is the time to uncover those Vettes, take them off the jack stands and get them prepared for a fun filled year. As you can see, the 2006 calendar is quickly filling up with so many events that it may be difficult to choose which one to attend. I do know that when you do attend an event, there is always great camaraderie and fellowship amongst all of the folks present. It is always fun to meet old friend and make new ones at these events.

Aloha! Save the Wave!  
The Prez

### CGCC Book Club

The Classical Glass Book Club extends a HEARTY welcome to anyone who enjoys reading. Our format involves discussing good books that individual members have read and recommend to others and a book borrowing program. We also have one book a month that we discuss in detail even if all members have not had an opportunity to read it.

At our January meeting we discussed THE HEART IS A LONELY HUNTER by Carson McCullers. Some members couldn't even finish the book because they found it difficult to read. While others were able to finish and all agree it was well

written. It was a unanimous decision that nobody in our Club would recommend it to anyone.

Our February Book is THE POINSONWOOD BIBLE by Barbary Kingsolver. This book promises to have a better response than last months pick.

We meet at Borders Book and Music across the street from the Tacoma Mall. At the January meeting, the Club members voted to change the meeting date to the third Tuesday of every month at 7:00 PM. Our next meeting will be on February 21st. For more information, please call Willow Flint at 253-8962-9374.

## The National Corvette Museum

At the beginning of each year, I like to do a National Corvette Museum (NCM) primer. So here is my presentation of NCM 101.

The National Corvette Museum is located in Bowling Green, Kentucky, across the street from the Corvette Factory. The National Corvette Museum was established in 1994 as a not-for-profit foundation with a mission of celebrating the invention of the Corvette and preserving its past, present and future.

The NCM is striving to become the resource center that Corvette enthusiasts worldwide want and deserve. Not only does the NCM contain historical displays of Corvettes that are changed and updated on a regular basis, it includes a library, archives, and a Hall-of-Fame. This is the place to get a copy of your original Build Sheets and Window Stickers.

The Museum is not sponsored by GM but is dependent on the Corvette enthusiasts for its support.

There are many ways to support the Museum, membership, bricks, annual giving campaign, and events with raffles. Over the next several months, I will be preparing articles describing the various features of the NCM and the ways to support our Museum. If you have any questions, please see me, or contact the NCM directly at <http://www.corvettemuseum.com> or 800.53VETTE.

Current Corvette raffles, all raffled Corvettes include Museum delivery:

2006 Silver coupe Corvette - 500 limited tickets at \$250 each. Drawing to be held on April 21, 2006

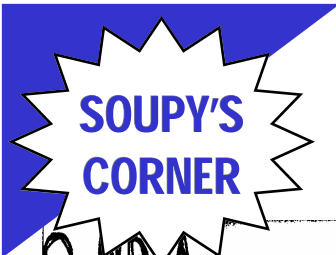

2006 "Build-your-own" (excludes Z06 option) - Limited to 2006 tickets at \$100 each. Drawing to be held on April 22, 2006.

2007 Red coupe with automatic transmission. Tickets are \$10 each and an unlimited amount will be sold. Drawing to be held on September 3, 2006.
