## MESSAGE FROM THE PRESIDENT

A smile on my face...why?

It is winter and there are feet of snow on the ground...except for here! I wait for the rain to stop and as long as it is 40+ degrees outside...the heater is on, the top is down and the tunes are loud. Sounds crazy? Not at all if you live in the Puget Sound area. We are extremely fortunate to have mild weather most of the winter. Let it snow in the mountains where we can go enjoy it if we so choose. There is about one calendar month of winter left and then we are turning forward the clocks. MORE daylight to enjoy our Corvettes!!!

The event calendar is filling up very fast so take the time to look at what you want to do this season and plan ahead. Many venues have lodging available but fill up quickly. That being said...QUACK-QUACK-QUACK!!!

Wet Weekend – April 18-19 ... and 20th for some. Look for more details in the newsletter and on the website too.

August is CGCC's annual 5 Star event. This will be a phenomenal opportunity for our club to show our neighbors in DuPont what a car show is about. Please join in the planning by contacting Dennis Beaulieu or Rick Landry to see how your efforts can best be implemented. This is also an excellent opportunity for the club to expand its membership so be sure to invite everybody you to enjoy a great car show.

Save the wave,

Dennis Petersen

# *CGCC COMMUNITY SERVICE*

Classical Glass Corvette Club supports three service areas. The Family Renewal Shelter, The Washington Soldiers Home and The Clover Park Technical College Foundation. THANK YOU one and all for all of your donations and support for these charities throughout the year.

**The Family Renewal Shelter** offers a confidential shelter and support for victims of domestic violence. It is a Christian humanitarian organization dedicated to saving lives, stopping abuse and offering healing hope and a new life to victims of domestic violence. At our monthly meetings, we ask for your support by either a monetary donation to the Zebra Box or by bringing in fast food cards, gas cards, Wal-Mart or Safeway cards or generic phone cards. You can also bring in Household items such as paper towels, toilet paper HE laundry detergent; Personal items such as baby wipes, diapers (size 4 & 5), shower gels, face wash, etc. These items can be brought to the meeting and I will make sure that they get delivered along with the money from the Zebra box. We, also, make a yearly donation from the club, some 5 Star profits and the Holiday Gift event. I want to thank everyone for their generous donation from the February 14, 2015 meeting. The Zebra box collection was \$69.00. The National 24 Hour Hotline is 1-888-550-3915.

**The Washington Soldiers Home in Orting** is supported by some profits from 5 Star and a yearly donation from the club as well as our Holiday Gift event.

**The Clover Park Technical College Foundation--** We fund scholarships through an endowment. We deposit some of the 5 Star profits each year to grow the endowment so that students in the automotive fields may apply for a scholarship.

## General Meeting Minutes:

Classical Glass corvette Club - General Membership Meeting 2/14/2015

Meeting was called to order at 7:00 pm by President Dennis Petersen

President - Dennis Petersen

Welcoming words: Welcome everyone and Happy Valentine's day. This is a much better crowd than last month's general meeting.

Vice President - Bob Thomas

Good evening. I am looking for 3 chairs for 2015. The events, public relations and sunshine committees all need a chair.

We will be working on the inventory and need to know who has any inventory at their home. Dennis Petersen and Bob Thomas will be going thru the storage locker this year to complete the inventory list.

Revisions to the agenda - Dennis Petersen asked if there were any revisions to the agenda. No changes to agenda by the members.

Newsletter - Alisa Dillon

Newsletter was set out - did everyone receive their newsletter? The articles are due by end of month will be published in the following month. The full event calendar is in the newsletter.

Club sales - Charlene Petersen/Christie Ervin

Everything on the table is \$15 off the original price. As soon as we sell off the old logo inventory we can get new items.

Seat prize - The seat prize was held over from January due to the low attendance. Gwen Beaulieu won seat prize. And thanks to Dick for donating last month seat prize which Jan Landry won.

Sunshine committee - Marilyn Underhill

This is my first and last time reporting for the Sunshine committee. Don and Joan's daughter had heart trouble and we sent them a card.

John and Marilyn are leaving the state and are very excited about the new adventure.

Community service - Candy Bundy

This is Candy's first report as community service chair. Thanks for Jan Landry for all the years of service. It is hard to follow someone like Jan. Alisa Dillon has published the thank you letters in newsletter for everyone to read. We are still looking for Gas card, Wal-Mart gift cards and other gift cards. The zebra box was passed around.

#### Five star - Dennis Beaulieu

For the new members, the Five star is CGCC big fund raiser for the year to help pay for things like the Gala and Picnic as well as sponsorship for community service. The next meeting is the 26<sup>th</sup> of February from 630pm-730pm as Johnny's in Fife. We would like to see some additional members attend the meeting. The plan is to do a 3 day show but this is not possible without volunteers. With the help of Northwest Landing and the City of DuPont, we expect this to be a profitable 5 star event.

#### Raffle - Alisa Dillon and Carol Minnitti

Great items tonight! If you spend \$10 on raffle tickets, you get a box of cookies for Valentine's Day.

#### Meeting refreshments – Elvira

There are Sugar free cookies made with almond flower and peanut butter. They are quite good but not excellent. There are also chocolate cookies.

#### Membership - Rich and Carol Gonzales (absent) Rick Landry substitute

No guest; 31 family units and our Sponsor Dick Lynch.

Dennis Petersen indicated we have established a quorum and can conduct business.

#### Treasurer - Conrad Neumann (absent)

We have both the December and January report to approve. The January report was read by Dennis Petersen, President. The motion to approve the January report by Alisa Dillon and Vic second the motion. Financial report was accepted and approved.

The December financial report was read by Dennis Petersen – Marilyn Underhill made a motion to accept the report as read, Larry Minnitti second the motion. The December financial report was accepted.

#### Secretary report – Christine Majszak

Alisa Dillon made a motion to accept the January meeting minutes as published in the newsletter. Charlene Petersen seconds the motion. The January General membership meetings were approved.

#### NCM - Len Tucker

The NCM Bash is the last week of April. If you can go to the Bash. Last Thursday was the anniversary of the sinkhole at the NCM. The main hole was left so you can see what the cave looks like. The unveiling of the first car that came out of the hole was at the anniversary. The one millionth car is being repaired. The 62 Tuxedo is the third car that came out and they are trying to find a company in Kentucky to repair it. The other 5 cars will be on display.

Bash \$10 raffle and this year it is a white convertible with black trim.

## Events - Len Tucker

There is a need for convertibles for the Seafair princesses– please contact Dennis Petersen if you want to participate.

## Public relations - Jim Dillon

We are in good standing starting a new year with our sponsors. Thank you to all the sponsors; ACU and Jet Chevrolet. Jim Dillon is stepping down and we need a volunteer.

Words from our sponsors:

ACU – Dennis Beaulieu - If you are thinking about a 2016 C7, start investing today with ACU.

Jet Chevrolet – Dick Lynch - Dick presented a check to CGCC for \$1,300 for sponsorship and three new members. His first manual rev match and the first Z06 was gone right away. The convertible and coupe are both quiet. Dick brought a Silver and Black interior convertible to the meeting.

Picnic - looking for volunteers for the summer club picnic.

Break. ---- Returning at 8:00

NCCC representative - Dennis Beaulieu / Alisa Dillon

Photographer - Conrad Neumann (absent)

Roster – Rick Landry

The roster will be adjusted after March meeting when the final membership is complete. Please continue to send updates to Rick Landry

Website - Christine Majszak

The website is up to date. We will be adding all the new events.

Historian - Elvira Tucker

Work in progress

Old Business - no old business and none from the floor

New business - new business from the floor - no new

Good of the membership -

Dennis Beaulieu has his car for sale. He had a prospect that wanted him to send money via western union. They had all official documents and emails but there was never any activity on his account. This is a warning to watch for scams and always check your account.

Chuck Brezina also reported that if you get calls from the IRS is not the IRS recording, be careful of all the scams.

One more order of business for the good of the membership. John Underhill took care of the decals for the Classical Glass Corvette Club; this will now be handled by Bob Thomas.

Club raffle

8:20pm adjourned

## NATIONAL CORVETTE MUSEUM

### SINKHOLE ANNIVERSARY

One year ago on February 12, most of you were probably surprised to learn that a large sinkhole had collapsed in the Skydome of the Corvette Museum, and that eight prized Corvettes were lying in its depths.

Some might consider the Anniversary of the event a celebration because the Museum a lot to be thankful for. They are thankful no one

was hurt, that Chubb Insurance has covered the bulk of the cost of repairs to the building and cars (and have been wonderful to work with), that their construction team has treated the building and the cars with love and respect - meticulously completing each step in the recovery and repair process, and the Museum staff is thankful for all of you who supported the Museum - whether you volunteered, donated, visited, promoted the Museum or any other way you showed your support!

In a ceremony that was streamed live over the internet, the Museum was able to share a few memories from one year ago, provide updates on the construction, and unveil the Blue Devil for its official return to the Museum display floor. In case you missed it, the broadcast is available for viewing on the Museum web page.

### 2015 BASH

Don't forget the upcoming 2015 Bash. It will be a full event this year. The Bash is preceded by a High Performance Driving Event (HPDE) event at the NCM Motorsports Park. And it's followed by a Museum in Motion tour including a spring in the Smokie Mountains, Tail of the Dragon, and the Biltmore Estate.

### NCM Insurance Agency

Getting ready for Corvette season? Whether you Show N Shine, tour, autocross, or do track days you need to insure your pride and joy. If you haven't already, check out the NCM Insurance Agency for your insurance needs. We have several Club members who have saved money by purchasing their insurance through the NCM Insurance Agency. And it supports the Museum. It's worth the call to find out.

Did you know that not only can the NCM Insurance Agency insure your collector car, but they can also cover you on the track? As you may know, finding the coverage you need to protect your car during HPDE events can be challenging. The vast majority of auto insurers have changed their policies to exclude coverage for these types of events. The NCM Insurance Agency knows what you're looking for when it comes to HPDE insurance, because they are enthusiasts too. You'll get the coverage you need to protect yourself during HPDE events – plus, it's fast and easy and all online.

Are you a Corvette enthusiast? Are you a National Corvette Museum member? If not, why not.

If you are interested in the National Corvette Museum events or offerings, please contact me or see me at one of our meetings or events.
