General Membership Meeting

July 11, 2015

7:00 p.m. at the Lakewood Elks.

Come early and have dinner with friends.

MESSAGE FROM THE PRESIDENT

My Corvette family,

Summer is finally here!!! For most of us that just means that the rain is going to get warmer... with projected highs into the high 90s and even hitting 100...that will make for some muggy weather too. Of course we will have our share of incredible Corvetteing weather as well. LOTS of events to attend... whether you choose all cars shows, cruise-ins or just Corvette related events you will have plenty to fill your calendar.

That being said...Classical Glass Corvette Club in July has the 4th of July parade in DuPont as well as Eatonville, our sponsor cruise-in at Jet Chevrolet and our annual picnic at the Orting Soldiers Home. CGCC's "FIVE STAR" event this summer is being held mid-August. Planning is moving forward towards this major event on many Corvette club calendars. Please get in contact with Dennis Beaulieu or Rick Landry to help in any way.

I'm anticipating hearing about all the fun adventures that many of you are having since the last membership meeting...shows in SoCal, cruise-ins ect. MY calendar is FULL and I will be at those events that my time allows.

It is that time of year when the club needs to look at next year's executive board. At the next club meeting we will be forming the nominating committee. Please contact them about suggestions you have for Executive Board members for the 2016 year. The club has had a very good year and not only will we need to maintain good leadership but a good foundation of committee chairmen to continue the clubs many activities.

See you out there and "Save the wave"!!

Corvette News

DID YOU KNOW ????

There was no 1983 Corvette.

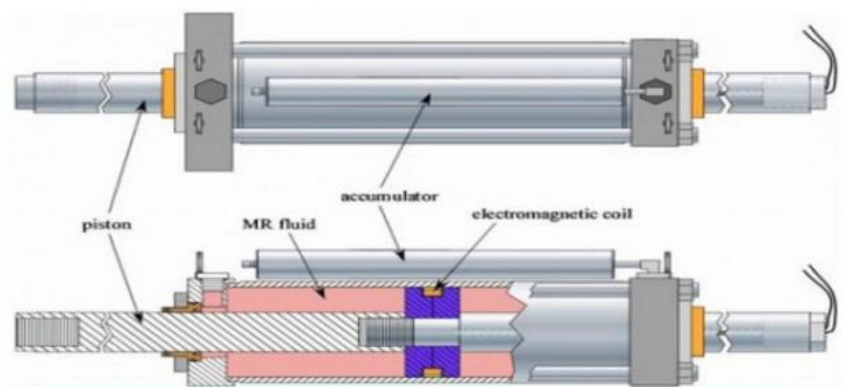

For the C4 Generation of Corvettes, GM was a little too ambitious, using a lot of new and unproven technologies. The C4 ended up being delayed for a year, and production of the C3 wasn't extended. As a result, no 1983 Corvettes were ever sold, even though a few prototypes are floating around out there.

Cruising time is HERE check out the coming events!!!!

The magnetic-ride suspension reacts separately to each inch of road at 60 mph.

In 2003 GM's magnetorheological suspension debuted on the Corvette, and it has since spread all the way up to the likes of Ferrari. It reacts so quickly (1,000 times per second) that at 60 mph it's adapting to each inch of road separately.

CGCC COMMUNITY SERVICE

CGCC COMMUNITY SERVICE

Hi, everyone! I am again writing on behalf of our Community Service programs for the Family Renewal Shelter, The Soldiers Home in Orting and Clover Park Technical College Automotive Division.

This is going to be a short report this month. I just want to thank everyone for continuing to donate to the Family Renewal Shelter whether it be monetary or by bring much needed items to the meeting for distribution to the shelter.

We will continue the new forum for the Zebra Box for another month; but, may go back to the old way of passing it around in August.

Here are some things that are on the Wish List for FRS and that can be brought to our July 11th meeting. This month why don't we concentrate on Personal Items—here are a few things for you to consider:

Diapers, size 4 & 5

Face wash/moisturizer

Boxes of Kleenex

Baby Wipes

Makeup remover

Shower Gels

Hair Color

These are just a few suggestions and would be greatly appreciated. Again thanks to each and everyone of you for your monetary and non-monetary donations.

Our help goes a long way in helping families get out of abusive relations and back into safe and loving relationships.

From the Roster chair:

Please help me keep the membership list updated. If you have changed your address, phone numbers, email address or bought or sold a corvette;

please send me an email at yellowvette02@hotmail.com

or phone me at: 360-832-6990.

Thanks, Rick Landry

General Meeting Minutes:

Classical Glass Corvette Club - General Membership Meeting 6/13/2015

Meeting was called to order at 7:02 pm by President Dennis Petersen.

President - Dennis Petersen

Dennis has revisions to the agenda for this evening. Remove Wet Weekend update. We will also be asking for approval for May General Membership meeting minutes and not April.

Vice President - Bob Thomas

Good evening everyone. Great turn out this evening. There is not much to report this evening. Cheri Austin is the Sergeant at Arms for the evening.

Dennis Petersen asked if anyone had changes for the agenda. There were no changes from the general membership.

Sunshine Committee - Candy Bundy

Welcome everyone. Last month we sent a card to Jan and Rick Landry for the passing away of distant relative.

Mark and Christine Majszak had a healthy grandbaby on Tuesday. Congratulations to them Charlene Petersen is having back problems and we wish her a speedy recovery.

Community Service – Candy Bundy

For those of you who were not at the last meeting, we discussed setting the zebra box at the membership table before the meeting and setting it at the refreshment table during break. Last month we collected \$50, had flour and other donations. Tonight Vic and Sheri donated cell phone accessories and Mark and Chris Majszak donated paper towels. You can let me know if you have donation or you can bring them to the meeting and they will be delivered to the family renewal center.

Also, in the newsletter there is additional information on the Family Renewal Center and how Classical Glass Corvette helps this organization.

Five Star meeting – Dennis B and Rick Landry

The 5-star is moving along and we are always looking for new help. Help is needed both before the event for organizing the event as well as volunteers on the day of the event. The big crunch right now is getting the flyers out. If you are planning on attending a cruise-in or car show over the next few months, please pass the flyers out. Flyers are available at the sign-up table as well as thru the website to be printed. The 5-star committee is meeting next week with the City of DuPont.

Alisa Dillon is coordinating the auction for the 5-star. Alisa reported that we are going to have 6 auction items.

Continued Next Page

Bidding will start on Friday and continue thru Saturday during the show. The winners will be announced on Saturday. The Under Glass has information on the planning and silent auction.

The awards banquet is Saturday at 2pm and the DelRidge Boys will be performing. This year there will be parking on the grass if you choose. The asphalt parking will also be available.

The hotel is the Liberty Inn for \$95.00 night.

June's meeting is at Johnny's Fife on 25th at 6:30 pm.

Raffle Committee - Alisa Dillon and Carol Minnitti

The raffle has lots of Men's stuff for Father's day. Please come buy tickets at the break.

Refreshment - Elvira Tucker absent (Gwen Beaulieu reporting)

Dennis and Gwen worked very hard on the cookies. If they are bad they are from Elvira.

Membership committee – Rich Gonzales

We have 51 members in attendance; 26 family units. We have a few guests and one potential member Ken Niemann.

Dick Lynch brought Ken. Ken was around last year and having his Z06 built. This is a very powerful Z06 with an open header not a dual. Ken has a 2013 convertible and 2014 and a 2015. It is all white. They brought it this evening and it's available to look at it during break.

Guest – Jack Moscovital

Vic Varkonyi is sponsoring Jack as a member. Jack has 10% hearing loss; it helps if you look at him when you talk with him. Jack picked second car. He finally found a 1977 Corvette that he picked up from back east. He really likes all Corvettes.

Dennis Petersen - We do have a quorum and can conduct business.

Treasurer report – Conrad Neumann

Conrad read the Monthly Financials for May 2015 as well as the Five Star report. The members were asked for any corrections or questions, none from the floor. The Financials for May 2015 have been presented to the Board and were approved and now read to the General membership. Cheri Austin made a motion to accept the minutes and Stacia Curtis

Secretary – Christine Majszak

Christine Majszak asked for any changes to the May 2015 General membership meeting minutes as they appear in the Under Glass newsletter. No changes to the printed minutes. Rick Landry and Charlene Petersen second the motion.

Continued Next Page

NCM - Len Tucker (absent)

No report

Events - Len Tucker (absent) Presented by Mark and Christine Majszak

A copy of the Events list is available at the sign up table. We will have the updates for the Parade events discussed during the parade update. Updates were giving about the last month's events. CGCC did well at Corvette's on the Columbia, Rich Gonzales gave an update.

We have some new information on Events from the membership and guest from CRC.

Fund raiser - 22nd of august Hot Rods for Hope - 10-2 T-shirt CRC

Fall Wine Show – Rick Landry asked for suggestions for a tour, its typically a 3 day weekend, leaving Friday morning come back Sunday night. - Please email Rick Landry (the event will be late September)

On Wednesday nights there is a cruise-in down Pacific Hwy near Des Moines

Sign up sheets are available on the table or you can email Len Tucker or the Majszak's to sign up.

Parade - Dennis and Sue Walch

Rhododendron Parade - This was a good parade, we had a nice breakfast and moved on to the parade. There was not a long wait before we were moving.

The next event is the 4th of July parade in DuPont - We will be meeting at the ACU building at 9am. The Eatonville parade is still on if you wish to go from DuPont to Eatonville. The Landry's will have others over after the parade.

There is a parade in DesMoines called the Waterland festival. July 18th Saturday we will meet at Highland Community college at 4pm to meet. The parade starts at 6pm. We can make a day out of it and stop at the Pit Stop in Burien.

Public Relations – Jim Dillon

Our cruise-in for our sponsor Jet Chevrolet is July 19th.

Dick Lynch update: Ken Neiman is wondering how he will get all his Corvettes to the cruise-in. We will need drivers. Susan and Gary will bring both of their corvettes. The order book is open for 2016 and Gary is on the books. The 2016 includes the Z51 package. There is a difference with the Michelin tires as they are quiet compared to Goodyear tires. Remember the Z06 is outside at break.

Gala – Elvira Tucker (absent)

Dennis Petersen reports that the Gala Event is happening and Elvira has lots of planning. Dennis Petersen also announces he will be stepping down as President.

Continued Next Page

Picnic Brett and Rae Thomas

Rae reported that the picnic is on for Sunday 12th of July. The signup sheet for food is available. Brett will cook country ribs. There is a list of items that we would like someone to bring but you can always bring what you want. Please bring the food items by noon as dinner/lunch will be served by 12:30.

Newsletter – Alisa Dillon

The May Under Glass was sent out. This edition's trivia question – What was the color of the car? Metallic Turquoise. Reminder that articles are due the Friday after meeting.

Club Sales – Charlene Petersen

All the existing items with the old logo are for quick sale, please make an offer. Please come see us at the break.

Seat Prize – Dennis Petersen

Brett Thomas - wash mitt

Dennis pulled another name for the extra father's day bonus

Dennis Beaulieu - microfiber drying towel

Break - 15 minutes be back at 8:20

NCCC – Dennis Beaulieu

Nothing to report.

Roster – Rick Landry

The latest membership list was sent out via email. There are a couple of corrections and additions. If you have anything to update, please send me the email.

Photographer – Conrad Neumann

The newest picture is available on the website.

Website – Christine Majszak

The website has been updated. More updates to come. We are trying to make the 5 Star PDF easier to print.

Historian – Elvira Tucker – (absent)

Dennis Petersen reported there are no updates. However if anyone has any great ideas please let Elvira know.

Continued Next Page

Old business -

None from the floor

By-law committee has been established - Chris Majszak, Bob Thomas, Dennis Petersen, Dennis Beaulieu and Rick Landry.

Housekeeping items: Bob Thomas and Dennis Petersen will be completing a physical inventory. The tracking will be to account for computers, generators, supplies and other assets. We are identifying what we have, does it belong to CGCC and where is it stored.

New business -

No new business

Good of the group

Chuck - update on Corvette racing trials, the 63 corvette in the wall and the 64 is first or second in running in the race.

Reminder about the 4th of July at 9am ACU.

Raffle

Don Mulligan sold his C4

Meeting adjourned at 8:41 pm

NEEDED:

5 Star Donation Baskets or Auction Items

We are in need of 6 auction items this year. We will be doing a silent auction this year through out the 3 day weekend of 5 Star. If you would like to donate or partner with someone to put together a basket or an auction item contact—Alisa - 253-279-1758.

NATIONAL CORVETTE MUSEUM

Not NCM but Corvette related.

One advantage about writing an article for the Under Glass is that you can write about anything Corvette related you would like. On my recent family related trip to Southern California, Elvira and I decided to drive the Corvette and do some vacation type activities in Northern California on the return trip.

Even though we grew up in California, neither of us had ever done any wine tasting in the Napa/Sonoma area. We met Gary and Candy in the Napa area and spent a day in the Napa Valley at several of the wineries. For highlights of the wine tasting you'll need to talk with Elvira or Candy. But we all enjoyed the Castle tour.

The highlight of the trip for me was driving the north section of CA Highway 1 from just north of San Francisco to just south of Eureka. I have driven all of CA-1 and US 101 south of San Francisco, but this was my first time on this stretch of the Highway. I'm not sure of the statistics of the first section of the highway, but it has to come close to the number of turns per mile on the Tail of the Dragon, US-129. It takes all day, but it's a day of almost continuous curves through mountains, forests, farmlands, and along the coast. We were fortunate to have light traffic for the drive and we passed everyone (eventually) that got in front of us. Most of the drivers were courteous and pulled over at the first opportunity. We had an unobstructed drive most of the day. If you have the opportunity, I recommend the drive.

On to Museum information.

2015 NCM 21st Anniversary

No plans for the Labor Day week-end? The 2015 NCM 21st Anniversary Celebration and Hall of Fame Induction is September 3-5, 2015.

A Surprising Discovery on the One Millionth Corvette

Craftspeople and technicians at the GM Design Center are painstakingly restoring the historic 1 millionth Chevrolet Corvette, damaged February, 2014 when a sinkhole opened up in the Museum.

The restoration crew is part of GM's Mechanical Assembly group, which typically spends its time building prototype and concept vehicles. The white 1992 Corvette is a challenge because rather than build an all-new vehicle from the ground up, the workers are trying to preserve the original appearance of a production vehicle.

Continued Next Page

"We got it back here and we started opening it up, and one of the cool things, we saw were all the signatures of the employees, they had signed individual parts as the vehicle was being built, and that's throughout the whole vehicle, inside of the fascias, the frame," said Ed Welburn, Vice President of Global Design. "You can kinda envision them doing that, because they didn't sign a complete vehicle, they signed it as it was being built."

MOTORSPORTS PARK NEWS

NCM Motorsports Park Debuts Start Stand

The NCM Motorsports Park can cross "start stand" off its wish list of track amenities as Corvette enthusiast Don Ghareeb recently came forward to fund the project.

Don is no stranger to the Park, backing it from the beginning by purchasing five acres through the "buy an acre" program to help the Museum acquire land for the track. "The race track is so cool, they have a good guy to run it, and it's booked with lots of events. I wanted to help," Don said. After taking delivery of his Z06/Z07 in January, Don took to the track for a few laps. "I was talking to Mitch about how things were coming along at the track. Holley had just stepped up to support the Control Tower and he mentioned the start stand was next on the wish list. I thought I'd help," said Don.

The start stand is 14 feet high, featuring a six foot by 12 foot deck. "We're very fortunate to have enthusiasts like Don who see a need, and without hesitation step up to help fulfill that need," said Mitch Wright, General Manager.

Pavilion / Garages Opening Soon

Construction on the Kimberlee A. Fast Pavilion and garages will be complete soon, offering covered, open air picnic seating, showers, and restrooms with flushing toilets. The garages will be available for day rentals, and have a 2nd level viewing platform to provide better visibility of the track. There will be access to the restrooms by the end of the month.

Want your time on the track? Registration is now open for the NCM MSP [September 3-4 HPDE](#).

Are you a Corvette enthusiast? Are you a National Corvette Museum member? If not, why not? If you are interested in the National Corvette Museum events or offerings, please contact me or see me at one of our meetings or events.

Len Tucker – CGCC National Corvette Museum Ambassador - www.corvettemuseum.org
