General Membership Meeting

September 12, 2015

7:00 p.m. at the Lakewood Elks.

Come early and have dinner with friends.

MESSAGE FROM THE PRESIDENT

My Corvette family,

Let me start by giving kudo's to Dennis and Rick for an outstanding job on the clubs 25th 5 Star event in DuPont. Obviously their hard work and that of many others that helped provided the best 5 Star that I have attended. Dupont and Northwest Landing are great to work with and we look forward to next year!

The club is doing well!! There have been many awards taken home from numerous shows not only from our seasoned members but from some of our newest members as well! Congratulations to everybody!!

Be aware that the next membership meeting is the first time to cast your ballots (in person) for the 2016 executive board, NCCC representatives and the man and woman of the year...AKA the "NEWE AWARD". Ballots can be cast in person at the September and October membership meetings. After that the club secretary will see to it that a ballot is mailed to you. PLEASE be sure to have the ballot returned to the mailbox no later than the November Board of Directors meeting. The ballots will be counted at the November board of directors meeting and the new executive board and NCCC representative will be announced. These findings will be presented at the membership meeting in November.

During your travels to the many events you are attending you have noticed the beautiful sunrises and sunsets. Most of these are due to the smoke from the many fires in and around our beautiful state. Pray for our firefighters and their families during these times. Blessings for the fallen and their families. I have many brothers and sisters doing strong work and making progress suppressing these many fires. They are sending phenomenal pictures. I wish I was there with them...but glad I am not.

Save the wave,

Dennis Petersen

Corvette News

On June 26th we arrived in the village of Watkins Glen, NY, a beautiful village in the Finger Lakes area of NY. The weather was perfect. Watkins Glen Int'l track was started in 1948 and racing took place on the streets of the town. The track has hosted US Grand Prix and Formula 1 races in years past. First order of business for us was a beer at the famous Seneca lodge. You won't find 5 Star ambiance here but it has a great history with 40s and 50s era racing legends and is famous for Prime Rib. The line at the door said it all.

Qualifying and practice on Saturday were held under less than ideal weather conditions and didn't provide drivers with much of either. We turned the day into an exploration of the area winding up on the shores of Lake Ontario.

The "SIX Hours of The Glen" is an endurance race featuring 4 classes of cars with the factory Corvette Racing Team C7-R in GT LeMans class, Daytona Prototypes are Corvette powered and are dominating in the Prototype class. These cars and drivers are at, or near the top of this year's rankings. The #4 Corvette won the class in the 24 hours of Lemans, France in June.

Rain was falling some places around the track with dry spots in others. For the 1st 4 hours the rain stayed away but that changed and only got worse for the last 2 hours. Every driver was struggling with rain, a very wet track, multiple spinouts, yellow flags and even a red flag which caused a 14 minute stop with an hour to go. It is amazing to see how hard these drivers push in awful conditions. The #4 Corvette went off track and out, the #3 finished in 4th place, no trophy. The Corvette Prototypes won 1st place overall and 3rd to net 2 trophies, not a bad day considering the conditions.

It was a real treat to see these very fast, high tech Corvettes racing at this famous track, one of things I just needed to do. The area offers a lot to do and see, all in very beautiful surroundings. Not too far away for a CGCC caravan !!

CGCC COMMUNITY SERVICE

CGCC COMMUNITY SERVICE

A big thank you to our fantastic club members for their donation at the August 8, 2015 meeting. The donations from the Zebra Box totaled \$110.50. I was, also, given the 50/50 (\$240.00) money from the Jet Chevrolet Cruise In; therefore, I will be delivering a total of \$350.50 to the Family Renewal Shelter along with 2 bags of food donated by Paul and Diana Rolstad and a cell phone from Rick and Cheri Austin.

As you all know, we had a fantastic 5 Star Car Show and event on August 14, 15, and 16, 2015. Great raffle a silent auction raised a good deal of money for our charities (Soldier's Home in Orting, Clover Park Voc-Tech, and FRS). Thanks to all that participated and donated. Fun was had by all that attended. Thanks to the 5 Star Committee for putting on another wonderful event.

As you know Christmas is only a few months away and I will be contacting FRS and Soldiers Home for names and gift ideas. I will have all the information at the October meeting so come prepared to pick a family member or soldier. The presents will be brought to the Christmas Gala. More information will follow.

I want to thank Jan Landry in advance for giving my Community Service Report at the September 12th general meeting as Gary and I will be doing the Canadian Rockies tour.

Here are some ideas from the Wish List for FRS. These items can be brought to the September 12th meeting and I will make sure I will get them from Jan for delivery to FRS. This month why don't we concentrate on Personal Items:

Diapers, size 4 & 5

Face wash/moisturizer

Ethnic Hair Products

Baby Wipes

Makeup Remover

Boxes of Kleenex

Shower Gels

Hair Color

Again thank all of you for making our community service programs successful.

If you have any questions, you can e-mail me by bundy.candy@yahoo.com or call me on my cell 253-625-1252.

*Thank
You!*

Meeting was called to order at 7:03 pm by President Dennis Petersen.

President - Dennis Petersen

Welcoming words – Hello everyone.

Vice President - Bob Thomas

The Sargent at Arms tonight is Fred Huteson. Bob asked if anyone has an interest in volunteering for a Chair next season. We will have some chairs opening up for next year. If you would like to serve as a chairman or on a committee for 2016 please let Bob know. There will be some changes to the Executive board.

Club Sales - Charlene Petersen and Christie Ervin

We are trying to get rid of items with the old logo. Charlene has asked that everyone come make an offer at the break.

Sunshine Committee - Candy Bundy

No report

Community Service – Candy Bundy

Over the last few months we had several donations of cell phones, paper towels and cash donations of \$112 that were delivered to the Family Renewal Center. Candy read the letter from the renewal center thanking CGCC for all the support and explaining what all our donations are doing for so many families. The items needed are listed in the newsletter for August and she will continue to post what is needed. Jan will be cover the report for September while Candy is out. Alisa donated her winnings from the Jet Chevrolet Cruise-in to FRC. \$80. Jet also donated \$160.

Candy will be contacting FRC and Soldiers home for our Holiday needs.

Five Star meeting – Dennis Beaulieu and Rick Landry

We are unsure of the amount of support we are getting from DuPont for setup and need volunteers. The situation on parking on the grass will be determined by the amount of rain. There is an ice cream social on Friday for the cruise-in.

- Situation parking on grass - arrangement is they will stop watering. If it does rain they will not park us on grass.
- There is a need to help with supplies and getting them there. Arrangements have been made with Dennis Petersen
- Need for photo skills – no one is available,
- Sunday tour - we will meet at 9am clock tower park. The money you pay will be given back (2 or 3 winners). The tour ends at Salmon bake. \$15 for a Salmon bake meal.

Continued Next Page

- Arizona Chapter will be participating.
- Volunteers: we are good for the raffles, no need for volunteers for party, check-ins have enough help, there will be wrist band required so check your packet, registration is also good on volunteers Vic, Mark S., Dennis Mike and Joe for parking, Judging – need one more person for ‘all cars’ – Joe volunteered.
- Trophy pickup on Wednesday - need one more volunteer to help setup – Leroy volunteered.
- Band will be Hot Flash during the day, a magician for kids, and DelRidge Boys for the party.
- \$5 no host breakfast, no host lunch by McNamara’s. Party is sponsored by Northwest Landing.

Tuesday night is the last meeting for Five-Star.

Next year – we have put in for DuPont and Northwest landing to assist for next year for the amount of 10.000. If this year is a success, we can continue to get support for next year. Part of the success is staying at hotels, shopping, participating in the town and spend money. We have 7 reservation and 14 nights already confirmed. There will not be a chair for the five star so we will need a volunteer. August 20th.

Couple of years ago we made the decision that a yearly vote would be taken to determine if we would have a Five Star event the following year, this decision would be made in July. Dennis Petersen entertained a motion to have Five Star for 2016, Cheri Austin made the motion and Chuck Brezina second the motion.

33 pre-registered to date.

NATIONAL CORVETTE MUSEUM

What's In Your Museum?

New to the floor this week is a 1955 Corvette Roadster, on loan from Gary and Sharon Mortimer of Cincinnati, OH. Nicknamed the "mustard and relish" car by their granddaughter, it is Harvest Gold with a Dark Green Top, one of only 120 made in 1955.

Interesting fact... this was the first year for the V8. Corvettes with V8s in 1955 were identified by an enlarged gold "V" attached over the small "v" in the Chevrolet script on both front fenders.

This car has undergone a frame-off restoration and judged Top Flight at the NCRS Charlotte Regional, received a Bloomington Gold Award, and the GM Styling Excellence Award at the Concours of America at St. John's.

New to the Museum Collection - 35th Anniversary Corvette

In preparation for the re-opening of the Skydome, the Museum solicited for display Anniversary and Special Edition Corvettes. When Deb and Rick Seymour saw that the Museum was searching for a show quality 35th Anniversary, they knew now was the time to go ahead and donate their Corvette. "We decided we might as well donate it while we are still alive so we can come see it, and others can see it," Deb said. "This is a big part of our lives. The opportunity to share it with so many people is just the best thing that could happen to us."

COMING EVENTS

Vets n Vettes Registration Open

Registration is now open for our November 5-7, 2015 Vets n Vettes event presented by Mobil 1.

Friday there will be a number of road tours, a seminar about JFK's funeral and our VnV banquet. On Saturday event attendees will have the opportunity to participate in the Bowling Green Veterans Day Parade, lunch at the local American Legion post, followed by a fun road tour.

2015 Corvette Production Stats

The Museum received the final production stats for the 2015 model year Corvettes. The final 2015 rolled off the line on Wednesday, June 17, and the first 2016 started on June 22.

Here's a quick look at how the year stacked up:

- 34,240 Corvettes Produced
- 1,049 R8C Museum Delivery Cars, the 2nd highest number delivered when compared to Chevrolet Dealerships
- Stingray Coupes 60.6%; Z06 Coupes 20.4%; Stingray Convertibles 14.1%, Z06 Convertibles 4.9%
- 68% had automatic transmissions
- Black wheels and black interiors were the most popular
- Arctic White was the top selling color, though if you combine Torch Red and Crystal Red then "red" is #1.

The complete spreadsheet of stats are available on the Museum website

I'll have new Raffle tickets at the October meeting.

Are you a Corvette enthusiast? Are you a National Corvette Museum member? If not, why not?

If you are interested in the National Corvette Museum events or offerings, please contact me or see me at one of our meetings or events.
